

KRULGHAST CRUCIATOR

Krulghast Cruciators were once mortals that met a gruesome end on the torture rack. In death, their bitter souls have been twisted by Nagash into ghastly manifestations of torment, replete with instruments of excruciation possessed of a wicked animus.

DESCRIPTION

A Krulghast Cruciator is a single model armed with Talons and Flensing Knives, and Phantasmal Torture.

FLY: This model can fly.

ABILITIES

Ethereal: *Creatures whose bodies have rotted away are difficult to harm with ordinary weapons.*

Ignore modifiers (positive or negative) when making save rolls for attacks that target this model.

Empowering Excruciation:

Krulghast Cruciators draw power from the suffering they inflict, becoming beacons of death magic that make nearby Nighthaunt more difficult to banish.

If any wounds inflicted by this model's Phantasmal Torture are allocated to an enemy model and not negated, this model becomes empowered until your next shooting phase. The Deathless Spirits battle trait negates wounds allocated to friendly **NIGHTHAUNT** units wholly within 12" of any friendly empowered **KRULGHAST CRUCIATORS** on a 5+ instead of 6+.
