

## ESTRAGON'S ISLAND A WARHAMMER GAMES MASTERED CAMPAIGN

### Complete Movement and Scouting

After battles and recovery, banners that did not complete their movement because they were interrupted by an enemy banner, a Random Event, or a Scouting Report may complete their movement. Banners that fought a battle or attempted to bring an enemy banner to battle may not complete their move. Banners that chose retreat or pass as a Parley Reaction and were not brought to battle move accordingly. Banners that lost or tied a battle must retreat 1/4".

As banners complete their moves, they will continue to scout the lands within their scouting range. The GM will report any additional information. Banners that lost or tied a battle and are retreating may not scout, however.
