EXHIBITION & FINALS MISSION 2

RECOVER THE RELICS

MISSION RULES

Recover Relics: In this mission, a player only receives the Battle-forged CP bonus at the start of their Command phase if they control either one or more objective markers in their opponent's territory, or if they control one or more objective markers in no man's land. In addition, if at the start of their Command phase a player controls the objective marker in their opponent's deployment zone, that player receives 1 additional Command point (this is in addition to the Battle-forged CP bonus).

PRIMARY OBJECTIVES

This mission has two primary objectives.

TAKE AND HOLD

Progressive Objective

At the end of each player's Command phase, the player whose turn it is scores 4 victory points for each of the following conditions they satisfy (for a maximum of 12 victory points):

- They control one or more objective markers.
- They control two or more objective markers.
- They control more objective markers than their opponent controls.

This primary objective cannot be scored in the first battle round. In the fifth battle round, the player who has the second turn does not score any victory points at the end of their Command phase; instead, at the end of their turn, they score 4 victory points for each of the above conditions they satisfy (for a maximum of 12 victory points).

BREAK THEM, BODY AND SOUL

Progressive Objective

At the end of each battle round, each player scores 1 victory point for each enemy unit that was destroyed during that battle round (to a maximum of 3 victory points per player per battle round). A unit can, if it is destroyed and resurrected for any reason (i.e. it was destroyed and subsequently returned to the battlefield), potentially count as having been destroyed several times for the purposes of this primary objective (assuming it is resurrected and subsequently destroyed several times over during the same battle round).
